

FERRMED CONFERENCE

BARCELONA INTERNATIONAL LOGISTICS FAIR (SIL)

FERRMED STUDY OF TRAFFIC AND MODAL SHIFT OPTIMISATION IN THE EU PRESENTATION OF THE MAIN CONCLUSIONS AND RECOMMENDATIONS

BARCELONA, Fira de Barcelona Montjuïc, Sala SIL KNOWLEDGE A, Palau nº 8
Thursday, June 8th 2023

The Study, started in June 2019, involves 40,000 hours of work.

Preliminary conclusions demonstrate that:

- Investing in 26% of the EU Extended Core Network, 99% of net present value contribution is generated.
- Implementing the Fast Flexible Integrated rail-road System of Transport (+FIRRST) is the best way to reverse the stagnant share of the railway in land freight transport.
